

Olympic Hinged Lock Pipe Clips

Product Range

- Range of Single & Double Pipe Clips for 15mm, 22mm, & 28mm diameter copper & uPVC pipes
- Incorporating hinged overstraps that reduce the risk of stress cracking
- Central fixing holes provided
- Unique interlocking mechanism allows multiple clip assemblies to be created
- Suitable for 5mm diameter c'sunk head fixings

Technical

- Olympic hinged lock pipe clips have been safety tested for use in air conditioning, gas & plumbing applications
- Not suitable for applications where load bearing capability is required, or where the ambient temperature exceeds 85°C
- The pipe clips are designed to support specific pipe sizes and the correct size should be chosen for each application to ensure the best possible support conditions
- Clips should ideally be spaced at 500mm pitch along pipe runs where possible to ensure best possible support conditions
