## Technical Data Sheet

### Testing

Tests were carried out on 17 & 18 February by Warrington Fire to determine the fire performance of a cable fixing system using fix4fire and the principles of BS 5839-1: 2017 Section 26.2 e). The cable fixings system remained in place throughout each of the tests and maintained adequate support for the cable for the duration of the tests when subjected to fire with mechanical shock and to fire with mechanical shock & water spray.

Warrington Fire report issued 25 June 2020 document 423985.
